EU Scheme for Young Professionals in the Western Balkans – Round II (YPS 2017)

The **European Commission** and the **British Council**, announce the opening of the call for applications to the “*EU Scheme for Young Professionals in the Western Balkans – Round II*” (YPS 2017). The Action is implementing two training programmes in EU academic institutions and a regional exchange component for early career civil servants (2 to 5 years of working experience in Public Administration) from the six countries of the Western Balkans - WB6 (Albania, Bosnia & Hercegovina, Montenegro, Kosovo*, the former Yugoslav Republic of Macedonia, Montenegro and Serbia). The Action is managed by the European Commission and implemented by the British Council. Applications will be open from **27 September 2017** until **10 October 2017 at 1800hrs**.

Successful applicants will be offered the opportunity to attend two intensive trainings (2 weeks each). The second training, named “Public Administration Reform in the Context of EU Integration Process”, will be at College of Europe in Bruges (Belgium) from 28 January to 10 February 2018. YPS 2017, foreseen as a follow up to a similar Pilot Action launched in 2016 (YPS 2016), is aiming at contributing to progress in the accession process and to deepen regional cooperation among countries in WB6 countries. First, it focuses on building professional capacity and preparing the next generation of public administrators and policy makers in the six Western Balkan countries who will be in charge of the accession process, who will drive and lead future change in their societies, particularly those required under the SAA implementation and accession negotiation process. In addition, the proposed Action aims at promoting the regional cooperation element of the EU integration process at the level of civil service by making cross-border connections between these leaders and agents of change and facilitating peer learning and the sharing of best practices.
